In a new movie Tom Hanks plays a recently-widowed architect. He's good-looking, warm, charming, and lives in a spectacular house boat in Washington state. Despite all these virtues, the writer of this film would have us believe that Hank's character has trouble getting dates! In fact, he's reduced to having his 10-year old son pimp for him on a national call-in radio show! Is it any wonder that we refer to this pathetic Hanks character as...

It's great seeing them frolicking on the beach! You can tell a lot by just watching them. For instance, I'll bet the boy will grow up to be a doctor judging by the way his dad lets him play with the medical waste that's washed up on the shore!

The lady from Baltimore said she would be on top of the Empire State Building on Valentine's Day! I'm going to meet her but I'm scared of being all alone in New York City!

Psst! Hey, kid! I'll tell you how to get by in the big city!

First you check into the Plaza, then you watch out for Joe Pesci and Daniel Stern!

Something terrible could have happened to you! You could have been killed! That would have been even worse than losing mommy! You see, you're not insured!

It seems somehow that I know you from before!

You should! We were lovers in *Joe Versus The Volcano*!

I forgot about that!

So did the studio, or they wouldn't have put you two together again after such a box office bomb!

Meeting on top of the Empire State Building! It's just like in that beautiful Cary Grant movie! It's so romantic!

It may be romantic in *An Affair To Remember*, sister...

I hope this works out better than the other times I encouraged a relationship with people from talk radio shows!

What's the problem?

I can't get Howard Stern and Rush Limbaugh out of my house!

## THE COST OF LOVING INDEX DEPT.

Over the last few years, the Great Recession has caused millions of job losses, benefit cuts, and diets of nothing but Spam. Given that you're probably reading this on a damp piece of cardboard under the expressway, this ain't exactly news to you. But what you may not know is that one of the things most diminished by the recession is romance. For the average shmo, those expensive candlelit evenings have gone the way of AIG — and no stimulus package will ever bring them back! Play it safe and tell the truth about your age — unless you want her to wonder why a 20-year-old needs to be picked up by his mommy at 6:00 sharp.

Yeah, er... my mom's picking me up. I, uh, left my car back at College. Yeah, that's it... COLLEGE!

Unless you want her to know what an immature dweeb you are right off the bat, stay away from Spencer Gifts.

This stuff would go great with the inflatable weenie and big-boob beanbag I have at home!

If you need to rip one, for God's sake hold it in — don't just wait 'til you're near Nathan's and blame it on the deep-fried hot dog nuggets.

Hey, baby! I don't know about the BATH part, but your BODY WORKS!

WRITER & ARTIST JOHN CALDWELL

A good rule of thumb: If she takes you home to meet her parents, make sure beforehand that at least one of them is not also yours.

On the first date, never reveal where the space aliens probed you.

It's considered very thoughtful to bring along a little gift to occupy her severely inbred half-brother while you two make out on the couch.

Pillow talk in CB jargon works magic.

THAT'S A BIG TEN FOUR ON SLAPPIN' THE BIG GREEZY WITH A SHOVEL, COME ON! I'M GONNA TAKE A NUMBER NINE CLAWHAMMER TO THE SHORTBREAD RIGHT ABOUT NOW, TEN FOUR?

When celebrating the anniversary of that special night you first made love, it's not necessary to invite the other seven guys who were also in the back of the van.

Who needs expensive Hallmark cards when you can tell her you love her in urine on a roadhouse wall?

The suave trailer trash Casanova always wipes his date's beer bottle clean after removing the cap with his teeth.

# SLUTS

I'm Catty Broadshow! I'm a sex columnist for a New York newspaper! I write about the dating scene in Manhattan! A statistic: There are 400,000 sex acts a day in New York! About 100,000 of them involve myself and my three friends!

I'm Slamantha Johns! I'm the most sex-crazed of the group! I'm HBO without the B in it! You do the math! I will @#%&\* a chair leg! I make Madonna look like the cast of 7th Heaven! My mantra: been there, done him!

I'm Marimba Hopps! I'm an uptight lawyer! I'm about as much fun as a yeast infection! You, the MAD reader, will never know what I'm like in bed! But let me put it this way, right now I'm "faking" this intro!

I'm Shallow Yorkie! I'm an art dealer! I'm the most prim of the group! When I use the "F" word it's things like "Flemish painter" and "Frame"! Our show has become a cult hit! I wouldn't be surprised to see us in the TV exhibit hall at the Smithsonian with Fonzie's jacket, Minnie Pearl's hat and Slamantha's diaphragm!

Hello! We're Mr. Biggie, Strive and Tripe! We're in and out of the show and the women in the show! On this series the traditional roles are reversed! We're the sex objects!

Me again! I forgot to mention that around here size *does* matter! The size of the TV audience! We'll do anything to get ratings! We'll get naked at the drop of a hat! In fact, that's episode 16! But I'm getting ahead of myself! I'll be doing the running narration — starting now!

Poor Shallow! She was seeing this terrific guy but she had to dump him!

Why? Was I dull? Was I lame in bed?

You're a Middle Management Consultant! It's an occupation our writers can't find jokes for!

This is so insane!

Come back when you're a computer consultant! You'll touch my laptop and I'll click your mouse!

We each had our weaknesses! I was obsessed with sex and shopping! Sometimes the two clashed!

Yes, I loved clothing! Especially designer shoes! I had over 100 pairs! You might say shoes were my Achilles heel!

That you spend \$3,000 a week on shoes and your job as a columnist only pays you \$450!

When I grow up I want to look exactly like you!

You mean sleek and trendy?

I mean like a 1970s hooker!

Our dating life was disintegrating faster than a sitcom on the UPN!

This is my new guy, Emilio! He's the best sex ever!

Slamantha, he's homeless! The man lives in a cardboard box on 23rd and 7th Avenue!

Actually, he's doing very well! He has a summer cardboard box in the Hamptons!

The party was over! We were played out! We looked forward to the Manhattan dating scene with about as much anticipation as a new Kevin Costner "water movie"!

We were at a turning point in our pathetic lives! We had to pull ourselves up by our Gucci bootstraps and make a dramatic change!

We had to think of our future! We had dated all the men in New York! There was no one left! We had to explore other zipper codes!

We wanted to settle down! We wanted security! And the answer was right across the bridge...in New Jersey! We found some guys who filled our needs!

# LOVE C♥RRUPTI♥N

Hi, I'm Upchuck Wobbly, and this is Love Corruption! We're the show that shoves Cupid's arrow right down your throat! Our first guest is Phyllis Lacklove! Her biggest complaint about men? They stare at her! Phyllis, don't you think the fact that you're a go-go dancer at a topless bar is a possible reason men stare at you?

Gee, I never thought about that! You're a very wise man, Upchuck! Full of keen insights!

Let's look at the three studs we've selected for Phyllis!

MOAN

Bernie is a security guard and he carries a big nightstick!

Carl is a junior league umpire who swings a big bat!

DROOL !!

Jack plays music at church receptions and has a big organ!

BIMBO 2BAT

WELCOME TO THE HEART FOUNDATION

ARSENIO WANNABE

Bernie

Marital Status: Married 12 kids  
Ambition: To have a cheap date without his wife finding out

Carl

Marital Status: Won't say number of times he's been divorced, but he's listed in Guinness Book of Records  
Ambition: None

Jack

Marital Status: Desperately seeking someone  
Ambition: Finding someone to settle down with forever, or even for just one night

What are these buttons for?

To open and close the fly on your Levi's 501's, idiot!

No, these other buttons!

They register our votes as we match up the ideal mates on the stage!

I don't know anything about romance!

That's exactly why you were selected to be one of the voters!

Upchuck, of those three men, I picked Jack! Let me tell you about our date. He picked me up right on time!

Jack plays the organ at funerals. Did he freak you out by picking you up in a hearse?

No, he showed up driving a very nice convertible!

Too bad!

And he took me to a very fancy Beverly Hills restaurant for dinner!

Oh no, a fancy restaurant! I bet you weren't dressed for it and you were humiliated and—

No, he told me what to wear in advance and we both looked great! We fit right in!

Well so far, this date really sucks!

OUUUUU

Then we drove up to lover's lane!

And he was all over you like an octopus in heat!

No, he was a perfect gentleman. He even explained a couple of facts about the moon!

Finally, we're getting somewhere! So what happened after he explained he was going to "moon" the other couples!

DROOL

I didn't moon anyone, Upchuck! But I did kiss her hand before I dropped her off back at her house!

Kissed her hand? That's sissy stuff! Phyllis, I would have at least sucked your finger!

Honey, I would have kissed your hand, your wrist, your elbow, your neck, your lips—and made a few pit stops in other places!

So you don't even have a hickey to show us? Bummer!

UHHH!!! WOW-EEEE!!!

11%

49%

46%

Let's see who the sex offenders and tasteless ghouls in our audience picked for you to date, Phyllis, I mean Phyllis!

Hey, those percentages add up to more than 100%!

Who cares? I'm not here to learn math, I'm here to drool!

No wonder you had such a terrible date, Phyllis! You picked the wrong man!

But it was the best date I—

Stop whining! The audience says you're going out with Carl and so you're going out with Carl, or we don't pay for your date! And we'll see that you never get on another game show again! We'll be back after these commercial messages!

What the hell is going on back here? Those two contestants had fun on their date. How did two well-spoken, well-adjusted people get through our screening process?

Sorry, Upchuck! We try to select only losers, weirdos, deviants and misfits but occasionally someone normal slips past us!

Yeah, well I don't buy commercials on this show because I'm looking for wholesome entertainment! Either I get the sleaze I expect or I take my commercials over to the FOX Network!

I'm not sure if I should be trying out for this show! I like dating men who are a little older than me. But that's not weird, is it?

No, that's why we have five writers! When we change it to: "She likes to date old men who dominate, suffocate and punish her like her father did," we'll get plenty of "ooohs" from the audience!

I can't believe it! I had to record five hours of that last contestant!

Wow! She was that nutty?

No, she was that SANE! But with five hours of video, we can easily cut 30 seconds together that will make her sound "off the wall"!

I tend to look for love in all the wrong places!

Wrong places? Like where?

Under the arms, between the toes...

You passed the audition! You're on the program!

When I picked her up she was wearing a two-foot nose earring made of human hair! She's disgusting!

Look who's talking! This geek has the nasty habit of biting fingernails! Other people's fingernails! He's revolting!

Perfect! That's just the kind of "love talk" Upchuck likes to hear! Do it that way on the air! But you can be mean if you want to!

What guys have you got lined up for tomorrow's show? I've got a punk biker, a heavy metal drummer and a bizarre tattoo artist!

I've got the perfect match! A demure, sophisticated, classical violinist! No matter who the audience matches her with, it will be a disaster!

Which translates into a big ratings grabber!

No, you don't win prizes or money on this show! And you don't answer questions, solve puzzles, do stunts, or guess what the survey says!

Then what is the object of the game?

That's the other thing! This is the only game show with no game! Two people just embarrass each other on the air and go home! It's pure fun and entertainment, except for the contestants!

Commercial's almost over, Upchuck! You're back on in thirty seconds! Do you remember all your moves?

I think so! I walk in, sit down on the couch, and I sit there till the end of the show!

You're a genius to work with! Alex Trebek or Wink Martindale would need that on cue cards!

Now it's time for a new feature—Celebrity Love Corruption! We've added it because I desperately want to work with stars, and this is my only chance since my talk show got the old heave-ho!

Our first superstar guest has been seen on many major network shows—in the commercials! Let's see a bit of her best known work!

Don't bother getting up dear! Just look at the monitor and we'll see who we picked out for you!

I don't care how a woman dresses for a date! She could just wear a raincoat for all I care! Heh! Heh!

I'm not looking for a date myself! But my nephew, William Kennedy Smith, has trouble finding women so I'm trying to help out!

I like women who... who... who... Hell—I just like women! And the bigger the butt, the better!

ORIGINALLY PUBLISHED IN MAD #310 APR 1992

Which one of these guests did you pick for your date?

Who cares? I like going to movies alone anyway!

I'm glad she didn't pick me, because I'd have to walk out on stage—and I'm not wearing any pants! But my nephew's going to be disappointed!

I have no witnesses! I was no where near this broad! She was down on the floor when I got here! I don't want no lawsuit! I never grabbed her or laid a finger on her!

None! I'm old, I'm infirm, but I'm not nuts! I'd rather stay home and play with my Medic Alert button than go out with any of those losers!

This is Upchuck Wobbly! Join us again next time for another half hour of "class TV" on Love Corruption!

YEC!

# CLOSER ENCOUNTERS

Good news, Rory!  
Looks like we've finally  
found a match for you.

Oh, thank god. No more making dinner  
partners out of mannequins, only to be told by  
restaurant managers to use the drive-thru.

WRITER & ARTIST JON ADAMS

Anyway, I'm SO excited!  
What's she like?

Here's her profile. She loves food and  
watching the stars. And just like you, she  
hasn't found anyone willing to love her.

She seems amazing!  
When can I meet her?

We leave  
tomorrow.

Fifteen months later...

She looks a lot bigger  
than in her photo.

Are you sure she will survive Earth's atmosphere?

She can survive anything for love.

Now that we're here, there's a legally binding verbal agreement on a few more details. She doesn't speak English, but she can cook. Well, not cook, but secrete a substance that's okay for humans to ingest in moderation.

None of her STDs are transferable, although she does have space worms, and those are very contagious. Also, she's 3,256 years old.

I'm not sure if we've made love or not, but I think I'm pregnant!

**N**OWADAYS, more than ever, Mankind seems to be preoccupied with Sex. But we all know that as wonderful as Sex can be, it can also lead to a lot of problems and all kinds of trouble. It is MAD's opinion that the best way to solve these problems and keep people out of trouble is through education. We feel that a good deal more should be written about Sex. We think more people should read about it, and everyone should discuss it more, out in the open. Why do we feel this way? Because the more time people spend writing about Sex, and reading about it, and discussing it, the less time they'll have to *engage in* Sex! And who needs problems?

How did Sex start? What are its mysteries? How did Sexual Attitudes really evolve? How can Sexual Activity affect civilization as we know it today? Frankly we haven't the slightest idea. Then why did we write this article? For a very simple reason. We just want to keep you out of trouble for the next five minutes. (Note: To those of you who are reading this article *while* you engage in Sex, you're in trouble already! And frankly we should have your problems!) Anyway we will now explore this intriguing subject from its very beginnings until the present time in

# A MAD HISTORY OF SEX

WRITER LARRY SIEGEL ARTIST GEORGE WOODBRIDGE

## CHAPTER 1—HOW SEX BEGAN

**I**N THE beginning, after He created heaven and earth and the seas and the mountains and the animals, God created man in His own image, and he named him Adam.

Adam enjoyed himself for a while running around the Garden of Eden. But one day he became lonely. "God," he said, "there must be more to life than chasing frogs and chewing on rocks. I need a companion."

"A companion?" said God. "You got it."

And so from one of Adam's ribs God created a companion for him. "Do you know who this is?" asked God.

"Let me guess," said Adam. "You made the world's first spare rib."

God gave him a rim shot and then said, "No, dummy, this is a woman. I'll call her Bernice. Adam and Bernice. How does that sound?"

"A little too Jewish, I think," said Adam.

"At this point," said God, "who cares?"

But to avoid an argument, God named the first woman Eve.

"Now," said God, "I am going to leave you two alone and I want you to do what comes naturally."

This is Adam, whom God created in His own image. Actually God looked much better in person, but He didn't own a good mirror.

This is Eve, who was created from Adam's rib. This gave him an awful pain in the side. Later she gave him an awful pain in the neck, but that's another tale.

The following morning God said to Adam, "Well, what happened last night?" "What do you expect to happen," said Adam smugly, "when a normal, healthy man and woman run through a forest naked?"

"You mean...?" said God.

"Right," said Adam. "We chased frogs and we chewed on rocks. But we did it *together*."

"Hold it, Adam," said God, "there are a few things you don't understand." And then God told Adam about the birds and the bees.

The next morning God once again asked Adam how things went the previous night.

"Thanks to you, fantastic!" said Adam.

God smiled. "Tell me about it."

"Well, said Adam, "the moon was out, it was a beautiful night. We sat down on the grass and then..."

"And then what?" asked God with great anticipation.

"We chased birds and chewed on bees," said Adam proudly.

"Look," said God patiently, "Man needs love, devotion. Something to occupy his every waking hour. I am now going to create something to give you fulfillment, something you must have to make life worth living."

"Hey, Eve!" cried Adam, all excited. "Did you hear that? God is going to invent Television!"

But instead God invented Sex, the most wonderful, most exciting, most gratifying thing the world was to know. And Sex grew and it blossomed and it flourished. And it was the all-consuming passion of humanity. Until 1948 when Television took over.

## CHAPTER 2—SEX DURING THE STONE AGE

(See Chapter 36—

HOW TO AROUSE A 25-YEAR-OLD SUBURBAN HOUSEWIFE)

## CHAPTER 3—SEX IN THE HOLY LAND

**A**FTER THE DAYS of Adam and Eve, Sex became very popular all over the Holy Land and as a result of it, babies were born and the world grew. People were very happy with this new phenomenon. It was something both rich and poor could participate in, it was fun, it was easy to do, and everyone

more or less understood how and why it worked the way it did. And then, one day, some Prophet came down off a mountain with a couple of stone tablets, and ruined the whole thing.

## CHAPTER 4—SEX IN ANCIENT ROME

**I**F SEX had a temporary setback in the Holy Land, no such problems existed in ancient Rome. Not only did they have a field day there, but the Romans brought many innovations to the practice, chief of which was Group Sex. This phenomenon was carried on into the present day and is discussed more fully in Chapter 31—TWENTIETH CENTURY FUN AND GAMES.

Here you see ancient Romans in a wild bacchanal of booze, lust, sex, and degradation. To historians, this is known as a Roman orgy. To 20th Century teenagers, this is known as a Dull High School Dance.

Here are some other nice innovations the ancient Romans were responsible for: (1) The Ear-Lobe Bite, (2) Heavy Petting, (3) The Neck Hickey, (4) Advanced Making Out, (5) More Advanced Making Out, (6) Incredible Making Out, and (7) Roman Numerals. (Note: It's true that Roman Numerals have nothing to do with Sex, but they *are* nice).

In addition the Romans created the world's first Birth Control Device. It was known as "Throwing Christians to the Lions." But while this device worked wonders in cutting down the Christian population, it did occasionally cause troublesome side effects. Namely, very fat lions.

One of the most famous figures in ancient Rome was Julius Caesar, who practiced Sex with an Egyptian beauty named Cleopatra. She later met Caesar's best friend, Marc Antony, and she practiced Sex with him too. There was so much practicing you'd figure that sooner or later they'd get it right. And they did. Anyway it all finally wound up with Antony and Cleopatra taking a boat ride down the Nile. Since this is a frank, open, no-punches-pulled article on Sex, exactly what happened between Antony and Cleopatra on the boat ride, you may ask.

Don't ask!

Caesar eventually went on to become a famous statesman, Antony went on to become a great general, and Cleopatra went on to become a rotten movie.

## CHAPTER 5—SEX DURING THE MIDDLE AGES

**S**EX DURING THE MIDDLE AGES can be summed up as follows: Once a month and don't strain yourself. (See Chapter 42—BAD TWENTIETH CENTURY SEX JOKES. Or better yet, don't see it!)

But seriously, fellow scholars, the Middle Ages was an extraordinary period in the history of Sex. Gone was the wild, sick, degrading Sexual Activity of ancient Rome. In its place were gallant knights who treated ladies with honor, respect, and devotion. There is a name for this era: The Age of Chivalry. There is another name for it: The Age of Boredom.

Sex in the Middle Ages was a beautiful experience that was both uplifting and poetic. On their wedding night, the knight would take the lady in his arms, whisper softly in her ear, gently hold her closer, kiss her tenderly, and then in a fit of extreme passion, he would run out and kill a dragon.

But being very proper people, the Establishment in the Middle Ages frowned on Pre-marital Sex, and unmarried knights seldom went all the way. So usually in the case of engaged couples, the knight would go out and merely *wound* a dragon. And of course in the case of inexperienced teenagers who were just getting their feet wet in Sex, the young knight would go out and yell at a dragon. History tells us, however, that not all knights found pleasure in slaying dragons. To them, destroying a poor, ugly beast was cruel and offered no sexual gratification. So they elevated Sex to its highest level in the Middle Ages. They went on crusades and killed thousands of heathens and other people. But more about religion later.

Toward the latter part of the period some men and women began to take an interest in the traditional approach to Sex, often with unexpected results. Illustrated below is the history of one such case.

This is a young married couple, Sir Monty and his bride, Lady Celia.

Anxious to make out with her husband, Lady Celia first struggles to remove his solierets (or wrought iron shoes).

A half hour later, still in a great passion, the lady strains to remove his gauntlets (or armored gloves.)

An hour later, still burning with passion, she struggles to remove his breast plate.

Three hours later, her passion undiminished, the lady struggles to remove his helmet, etc.

The next morning, still fighting to take off his helmet and visor, her passion at a fever pitch, she makes one valiant tug, and then makes an important discovery...

Namely, for the past 5 years she has been married to a suit of armor.

## CHAPTER 6—SEX IN THE NEW WORLD

**I**N THE 17th CENTURY a group of devout Pilgrims, who were persecuted because of their religion, set sail aboard the Mayflower for the New World and religious freedom. It was a very rough crossing, and the Pilgrims found engaging in Sex on the boat to be a harrowing experience. Many of them threw up continuously and were sick for weeks. But since this was the way they also reacted to Sex on *land*, it was no big problem for them.

Once they arrived in the New World, the Pilgrims were delighted. Not only were they able to worship God as they pleased, but they were able to make everybody else worship God as the Pilgrims pleased—or else. They were also able to kill Indians and burn people as witches, and democracy as we know it today was born.

One of the most famous Sexual Incidents in those days involved an Army Officer named Miles Standish, who was in love with a girl named Priscilla. But since he was too shy to speak to her, he sent his friend, John Alden, to tell her that Standish would like to make out with her. As it turned out, Alden not only made out with her himself, but he married her. But being the noble man that he was, Standish blessed the marriage, and from then on, was known throughout the annals of Pilgrim history as "An Officer and a Gentleman . . . and a Schmuck."

## CHAPTER 7—SEX DURING REVOLUTIONARY DAYS

**S**EX THRIVED and flourished in the New World all the way through the Revolutionary War and the founding of this country. Perhaps the greatest Sexual Figure in Revolutionary times was also known as "The Father of Our Country". His name was Benjamin Franklin. We realize some people think that George Washington was the father of our country, and you may say, "You don't know your history." All we can say is, "You don't know your Benjamin Franklin!"

This is Benjamin Franklin, the greatest swinger in early U.S. history. For those who wonder how a fat, pudgy man with glasses can be such a fantastic American Sex Symbol, see Chpt. 44—HERE COMES HENRY KISSINGER, HE'S A CRAZY GUY

## CHAPTER 8—SEX DURING THE VICTORIAN ERA

There was no Sex during the Victorian era.

This is Queen Victoria. Now you know why.

## CHAPTER 9—SEX TODAY

**WHICH BRINGS** us up to the present. And somewhere up in heaven Adam is saying, "Oh, God!" And God says, "Did you want Me, Adam?" And Adam says, "No, I was just looking down on Earth. Do you see what's going? Oh, God!" And God looks down and He says, "Oh, Me!" And Adam says, "Do you see all that carrying on? Those wonton men? And those wicked women who sell their bodies for money? What do you call them again?" "Suburban Housewives," says God sadly.

"And those movies," says Adam. "I just saw one down there I couldn't believe. And it was rated GP. What does GP stand for?"

"God Protests," says God. "Oh, Adam, I meant well when I started this whole thing. Where did I go wrong?"

"Don't be so hard on Yourself," says Adam.

"But what should I do?" asks God. "I must teach them a lesson."

"I have it," says Adam. "Why don't you do what you once did in Egypt? Go into every home and slay the first-born."

"I thought of that," says God, "but it won't work. Where are you going to find a house nowadays where the first born *lives* at home? On top of which, you kill some of those kids, you won't be punishing the parents, you'll be doing them a favor."

"Well, then how about another one of your famous plagues?" says Adam. "They worked great in Egypt."

"I'm one step ahead of you," says God. "I sent down some locusts last Wednesday. They all died in the pollution. Except twelve, and they were mugged by mosquitoes."

Whereupon Adam gave God a rim shot, and then he said, "I got it. Why not do the Noah's Ark bit again? You get some pure, clean people. You know, the Nixons, Billy Graham, the King Family, and like that. You put them all on a boat with beasts of the field. Then you make forty days of torrential rain, you drown the rest of the world, and you start all over again."

ORIGINALLY PUBLISHED IN MAD #169 SEP 1974

"Hmm," thinks God, "Richard's Ark. Not a bad idea. No, no, it won't work. All of those people alone on a boat for forty days with all those animals. God only knows what could happen nowadays. And I do. So I won't."

"Well then," says Adam, "I guess all we can do now is pray."

"That's easy for you to say," says God.
